**23 September 2021**

## **“FUTURE OF SKILLS” MAIN CONFERENCE**

**DIE EM DER BERUFE**  
**22.-26. SEPTEMBER 2021**

On the first day of the competition, the official EuroSkills 2021 conference will take place as a conference at a European level. The conference is aiming to provide a unique platform for bi- and multilateral networking, mutual exchange and knowledge transfer on the topic "Future of Skills". Taking into account the existing and future needs of industry, business and educational institutions, it is intended to provide fundamental impulses for the development of new, future-oriented educational and economic policy approaches and to show ways and possible solutions for an economically strong Europe of tomorrow.

For Austria, the EuroSkills 2021 Conference offers a great opportunity to take up topics that are relevant for Austria as a business location as well as to address relevant economic and educational policy themes.

## **FACTS**

// 300+ participants from Europe

// Target audience: Decision-makers and specialists from organisations and institutions involved in educational, economic and labour issues as well as executives and media from all over Europe

// Formats: Plenary lectures, impulse speeches, discussions, panels

// Participation: live and online

// Conference language: English

The thematic focus is on the present and, above all, the future of vocational education and training as well as the skills, qualifications and competences needed in Europe.

## **CORE TOPICS**

### **// Vocational and Educational Training**

Aspiration vs. Reality

Set for the future: How to adjust vocational training to respond to future requirements

### **// Talent Economics and Generation Z**

Future jobs and skill needs in Europe / Talent economics

The battle for talents: How to find, keep and promote talents
